

ABBA MEDLEY

Zoals geproduceerd door Multi Mix Music - Arrangement: Rob de Visser

The name of the game

Tekst & Muziek: Andersson, Anderson, Ulvaeus

1 I've seen you twice, in a short time
Only a week since we started
It seems to me, for every time
I'm getting more open-hearted

2 I was an impossible case
No-one ever could reach me
But I think I can see in your face
There's a lot you can teach me
So I wanna know

3 What's the name of the game
Does it mean anything to you
Oo, what's the name of the game
Can you feel it the way I do

4 Tell me please, cause I have to know
I'm a bashful child, beginning to grow

5 And you make me talk	To-to-to-to
And you make me feel	To-to-to-to
And you make me show	To-to-to-to
What I'm trying to conceal	To-to-to-to

6 If I trust in you	To-to-to-to
Would you let me down	To-to-to-to
Would you laugh at me	To-to-to-to
If I said I care for you	Aha
Could you feel the same way too	
I wanna know, oh yes I wanna know	Oh yes I wanna know

7 The name of the game	Your smile and the sound of your voice
Does it mean anything to you	Got a feeling you give me no choice
	And it means a lot
Oo, what's the name of the game	I was an impossible case
Can you feel it the way I do	But I think I can see in your face
	That it means a lot

8 What's the name of the game	Your smile and the sound of your voice
Does it mean anything to you	Got a feeling you give me no choice
	And it means a lot
What's the name of the game	I was an impossible case
Can you feel it the way I do	But I think I can see in your face
That it means a lot	That it means a lot, that it means a lot
That it means a lot, that it means a lot	That it means a lot, that it means a lot

Eagle

Tekst & Muziek: Andersson, Ulvaeus

- 9 They came flying from far away
Now I'm under their spell Oo
I love hearing the stories that they tell Oo
- 10 They've seen places beyond my land
And they've found new horizons Oho
They speak strangely but I understand Oo
- 11 And I dream I'm an eagle
And I dream I can spread my wings
- 12 Flying high, high, I'm a bird in the sky High, I fly
I'm an eagle that rides on the breeze I'm an eagle - that rides on the breeze
High, high, what a feeling to fly High, I fly, what a feeling
Over mountains and forests and seas Forests and seas
And to go anywhere that I please And to go anywhere that I please
- 13 As all good friends we talk all night
And we fly wing to wing See how we fly
I have questions and they know everything Oo
- 14 There's no limit to what I feel
We climb higher and higher
Am I dreaming or is it all real
If you could feel the way I feel
Oho, oho-oho
Ohowo, oo
- 15 Is it true I'm an eagle
Is it true I can spread my wings
- 16 Flying high, high, I'm a bird in the sky High, I fly
I'm an eagle that rides on the breeze I'm an eagle - that rides on the breeze
High, high, what a feeling to fly High, high, what a feeling
Over mountains and forests and seas Forests and seas
- 17 Flying high, high, I'm a bird in the sky High, I fly
I'm an eagle that rides on the breeze I'm an eagle - that rides on the breeze
High, high, what a feeling to fly High, high, what a feeling
Over mountains and forests and seas Forests and seas
And to go anywhere that I please And to go anywhere that I please
- 18 Woho - ohwo-oh Woho - ohwo-oh
