

# CARRY ON

Tekst & Muziek: Stills

Zoals geproduceerd door Multi Mix Music - Arrangement: Rob de Visser

1 One morning I woke up and I knew  
You were really gone  
A new day, a new way, and new eyes  
To see the dawn  
Go your way, I'll go mine  
And carry on

One morning I woke up and I knew  
A new day, a new way, and new eyes  
Go your way, I'll go mine

2 The sky is clearing and the night  
Has cried enough  
The sun, he come, the world  
To soften up  
Rejoice, rejoice, we have no choice  
But to carry on

The sky is clearing and the night  
The sun, he come, the world  
Rejoice, rejoice, we have no choice

3 The fortunes of fables are able  
To sing the song  
Now witness - ah - the quickness with which we  
Get along  
To sing the blues  
You've got to live the dues  
And carry on

The fortunes of fables are able  
Now witness the quickness with which we  
To sing the blues

4 Carry on  
Love is coming  
Love is coming to us all

Carry on  
Love is coming  
Love is coming to us all

5 Where are you going now my love  
Where will you be tomorrow  
Will you bring me happiness  
Will you bring me sorrow  
Oh, the questions of a thousand dreams  
What you do and what you see  
Lover can you talk - to me

Where are you going now my love  
Where will you be tomorrow  
Will you bring me happiness  
Will you bring me sorrow  
Oh, the questions of a thousand dreams  
What you do and what you see  
Lover can you talk

6 Girl when I was on my own  
Chasing you down  
What was it made you run  
Trying your best just to get a round  
Questions of a thousand dreams  
What you do and what you see  
Lover can you talk - to me

Girl when I was on my own  
Chasing you down  
What was it made you run  
Trying your best just to get a round  
Questions of a thousand dreams  
What you do and what you see  
Lover can you talk

7 Carry on  
Love is coming  
Love is coming to us all

Carry on  
Love is coming  
Love is coming to us all
